### *Pamper Me Fabulous*

NEW SPA EVENT FOR WOMEN, BY WOMAN, ABOUT WOMAN

For the chance to experience a day of pampering, brides and bridal parties flocked to Los Angeles for "Pamper Me Fabulous," the ultimate oh-so-chic spa event for beauty, health, wellness and shopping for women by women and about women. Located at the historical Vibiana LA, an old cathedral turned opulent marble event space, guests were treated to lavish beauty treatments, and indulged in the best of gourmet culinary delights from Room Forty. The sleek and modern event design was developed by Fresh Events Company using the best in contemporary lounge furniture from the Luna Party Rentals collection. All enjoyed breakout sessions covering topics from beauty to health and wellness, plus gourmet desserts including cupcakes and macarons, while a few lucky guests were treated to one-of-a-kind keepsake invitations by Carciofi Design. Ten percent of all ticket proceeds totaling \$2,500.00 was given to the Step up Women's Network, a non-profit dedicated to connecting and advancing women and girls. If you missed this fabulous event, don't worry! Pamper Me Fabulous will be returning to Orange County October 10, 2010 at the Hyatt Regency Huntington Resort & Spa.
