## BALLROOM WEDDING BY JOYFUL WEDDINGS AND EVENTS

MAY 17 | by Abby Larson | [comments \(32\)](#) | [details](#)

First and foremost, Happy Monday! The sun is shining in Boston which means that we just have a good feeling about this week. And we thought we'd kick it off with one of those weddings that just defines romance. One of those weddings where every detail was so beautiful, every touch was so thoughtfully designed. And get this... BOTH the bride and the groom work for the famed rental company, Classic Party Rentals. So, it's a given that the linens, the furniture, the fabric (the everything really) will just be spot on gorgeous. Planned by Joyful Weddings and Events, this is definitely one you'll want to bookmark.
