How gorgeous is this wedding?! It's giving us a whole new appreciation for the color purple. Hues like lilac, eggplant and merlot were brought together in the details, by designer **LISA KAHN EVENTS** using gorge flowers by **UNIQUE FLORAL DESIGNS**, for a totally glam look at Miranda and Danny's wedding at **VIBIANA**, a restored Cathedral-turned-event-space in downtown L.A. And can we talk about Miranda's style?! This new momma was smokin' on her big day with a plunging cut-out lace gown and a killer fishtail braid. Lucky for us, **ONE ELEVEN PHOTOGRAPHY** was on hand to capture the bride's fabulous look and the rest of the stunning details of Miranda and Danny's big day.
