Vibiana

Vibiana is the ideal wedding location for couples who love Downtown Los Angeles and the city's history—or just those who love architecture. Before being turned into a beautiful wedding and event space, Vibiana was LA's first Archdiocese Catholic cathedral. Now, it's a versatile space in which couples can have weddings that pay homage to its history—or it can be a blank canvas for those who are looking to transform the spot to their own taste. Either way, we dig this place. *Rental fee prices start at \$4,000. Contact Vibiana to find out what else is included in this price.*
