

Wedding Inspiration: Romantic Spring Dream Styled Shoot at Vibiana

Bright fuchsias, bold metallics, blushes and deep plums blended beautifully together in this romantic reception table designed for this year's Luxe Launch, an event hosted by [Luxe Linen](#) at Vibiana. Kelsey Events and Ixora Floral Studio collaborated to create this stunning tablescape that any couple would gush over. The stunning Silver Alexandrine draped across the dining table inspired the duo. "The name of the linen instantly stood out to us both. It was so sultry and romantic that we wanted to stay true to it," says Jackie Johnson of Kelsey Events.
