

EDGY 'MODERN GOTHIC ROMANCE' WEDDING INSPIRATION

NOV 3 | by Stephanie Weers | comments (4) | details

If you're the kind of bride who prefers a bit of "edge" to your everyday look, or the cool girl who's not afraid to pair a leather jacket with a girly dress, this post is for you. Featuring our Blogger Bride Lauryn of The Skinny Confidential and her soon-to-be, Michael, it's wedding inspiration built around the idea of Modern Gothic Romance that breaks the rules in all the best ways. Major kudos to Ro and Co Events + Rebecca Yale for bringing on the drama, big time.
