

DTLA Fall wedding at Vibiana: Ethan + Lirona

Some words from their coordinator/designer [Mein Schatz Events](#)... *Ethan and Lirona were ready to get married, and didn't want to wait any longer than necessary. They gravitated towards a traditional design, but wanted to keep things fun with bohemian, vintage furniture, TWO cocktail hours, a rocking Klezmer Band, and a few surprises along the way. Guests were treated to a candy bar, custom poetry by Poet Jacqueline Suskin, and were entered into a raffle where they could win free nights of babysitting, gift certificates to Rustic Canyon (the couple's favorite spot) or a bottle of Champagne.*
