

10 Drop-Dead-Gorgeous Indoor Wedding Venues Around The Country

You can get married in a lush, green oasis with gorgeous NYC skyline views... anytime of year.

VIBIANA

Originally L.A.'s first Archdiocese Catholic cathedral, this iconic event space of the Italian Baroque style resembles a luxe wedding cake in itself. Say your I do's atop the grand marble stage, have the events team transform the space to a reception venue over cocktail hour, then dance the night away under its ornate, gilded ceiling.
