## *Elegant Candlelit Cathedral Wedding*

Christina and David merged classic elegance with California ease as they were wed in the magnificent *Vibiana*. The combined events and performing arts venue boasts a stunning Archdiocese Catholic cathedral, main hall, and garden courtyard. The historic cathedral allowed the couple to indulge in a dramatic candlelit ceremony within the heart of Downtown Los Angeles.

*Film photographer Erich McVey* artfully captured the most intimate moments of this bespoke black tie affair. We are enchanted with the intricacies of each wedding detail, from the gold gilded ceilings to individual hand-lettered place cards.
