

## Moody And Glamorous Wedding With Stunning Berry Hues For Days

This Moody and Glamorous wedding is all about dreamy berry hues, and black & gold details. The stunning venue, Vibiana was decorated so perfectly with long tables adorned with crystal candelabras, gold, and black linens by Luxe Linen lined, and vibrant florals.

The beautiful bride looked absolutely stunning in her long-sleeve **gown**, while her bridesmaids wore mismatched black long gowns that ranged from lace styles to glammy sequin numbers. And the cake... oh my! The stunning white **wedding cake** decorated with gold edging and berry colored flowers is just too pretty to eat.
